

# A tote for my cars...

## Materials

Handles 1/4 yd  
Bag 1/3 yd

## Cutting Instructions

Cut 2 strips 3" x 33" for handles.  
Cut 2 rectangles 11" tall x 18 1/2" wide for bag.

## Handles

Fold strip in half, wrong sides together, along the length, press.

wrong side

Foldline

Open and fold raw edges into crease of fold, press.

wrong side

Foldline

Foldline

Fold in half again, press.

right side

Foldline

Stitch 1/4" from open edge along length.  
Repeat for 2nd handle

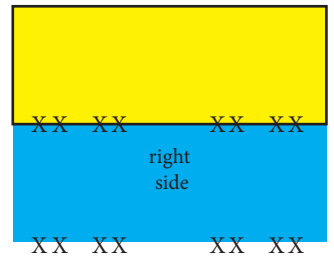

## Bag

Sew rectangles, right sides together, along top 18 1/2" edge. Seam allowance = 1/4" throughout. Press seam open.

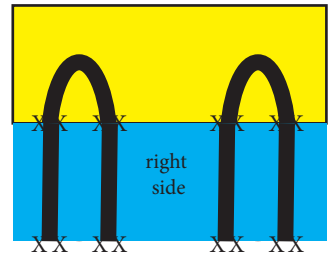

Mark location of handles on outer rectangle in from both sides:

2 1/4", 3", 6 1/2", 7 1/4"

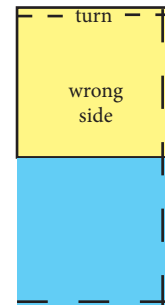

Pin handles to marks as shown. Stitch handles in place to outside rectangle only.

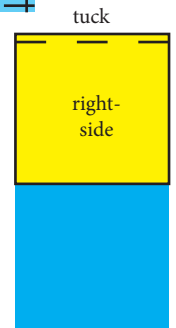

Sew side seam, right side together.

Sew outside rectangle's bottom seam.

Sew inside rectangle's bottom seam, leaving 4 inches open for turning.

Turn bag right side out, stitch across opening used to turn bag, tucking raw edges in.

Turn inside rectangle into outside rectangle and press bag. Top stitch along top of bag, backstitching when passing over handles for extra strength.
